

Name: Karthik Iyer

Email: karthik.iyer.ai@gmail.com

Phone: +91-9876012345

Career Objective:

To contribute to impactful AI solutions through deep learning, especially in computer vision.

Education:

B.E. in Information Science, PES University, 2023 — 8.4 CGPA

Skills:

- PyTorch, TensorFlow
- FastAPI, GitHub, Docker
- CNN, GANs, Object Detection

Projects:

1. Real-time Face Mask Detection using YOLOv5
2. Generative Art using GANs

Certifications:

- Deep Learning Specialization by Andrew Ng
